

STATE OF NEW HAMPSHIRE

Executive Council

CHRISTOPHER C. PAPPAS
EXECUTIVE COUNCILOR
DISTRICT FOUR

STATE HOUSE ROOM 207
107 NORTH MAIN STREET
CONCORD, NH 03301
WWW.NH.GOV/COUNCIL
(603) 271-3632

TO: All Fourth District Cities and Towns
FROM: Executive Councilor Christopher C. Pappas
DATE: June 24, 2015

The Governor and Executive Council met on Wednesday, June 24, 2015, in the Executive Council Chamber at the State House, Concord, NH and considered an agenda of approximately 101 items.

The next scheduled Governor and Executive Council Meeting will be held on Wednesday, July 22, 2015 at 10:00 a.m. at the Saint-Gaudens Historic Site in Cornish, NH.

The Executive Council convened today at 10 am at the State House for the last meeting of the fiscal year, which ends June 30. Here's an overview of the Council meeting, focusing on issues with both statewide and District 4 significance:

Nominations

The Governor nominated Kathryn Bailey of Bow as a Public Utilities Commissioner; Edward Patch of Bow to the Compensation Appeals Board; Jay Gates of Pembroke to the Board of Licensure of Deaf and Hard of Hearing Interpreters; Allan Moses of Bow to the NH Health and Education Facilities Authority; Jeffrey Huntington of Loudon to the Pesticides Control Board; and Ryan Clouthier of Hooksett to the Residential Ratepayers Advisory Board.

Confirmations

The Council confirmed Arthur Nolin of Pembroke to the Boxing and Wrestling Commission; Robert Woodward of Lee to the Health Services Planning and Review Board; Wendy Pouliot of Chichester as Director of Operations at the Department of Information Technology; and Sally Gallerani of Bow as Director of Technical Support Services at the Department of Information Technology.

Resignation

The Council accepted the resignation of Circuit Court Judge Michael Feeney.

Renewable Energy Projects

The Council approved \$1.23 million in grants from the state's Renewable Energy Fund to partially fund four projects around the state. The four projects are for hydroelectric generation at the Steels Pond Dam in Antrim, woodchip-fired boilers at the Strafford School, a geothermal system for the Bedford Town Library, and a solar array in Lee that will serve the entire electricity needs of the town government in Durham. The latter project passed on a 3-2 vote and the others passed

unanimously. There are three solar projects that will be presented for consideration at a future meeting.

Xerox Contract Extension

The Council approved a nine month contract extension with Xerox, which operates the state's Medicaid Management Information System. Because of changes to the functionality of the system and its increased usage, the company requested an equitable adjustment in the contract price. This increased the contract by \$5 million for the period in question.

Medicaid Care Management Contracts

The Council approved a four month extension to the existing contracts with the state's two Medicaid managed care health plans so that the state can finalize negotiations with the firms on new contracts to be presented this summer. The new contracts will include the structure of the second step of the state's move to Medicaid managed care which will impact nursing homes, people with developmental disabilities, and other critical populations.

Mental Health Contracts

The Council approved contracts with the state's community mental health centers to provide community based services to those with mental illness. An additional contract for \$4.2 million with Riverbend in Concord invests in mobile crisis services and supports, and it is a key piece of the state's settlement of a mental health lawsuit. That contract was also approved.

Vermont Agreement with Sununu Center

The Council approved an agreement between the Sununu Youth Services Center and the State of Vermont to provide for services for Vermont juveniles. The agreement is expected to generate in excess of \$200,000 for the center.

Family Planning Services

The Council approved the renewal of ten contracts with providers of family planning services around the state. Another contract with Planned Parenthood is likely to come forward at the July 22 meeting.

Regional Planning Funds

The Council approved federal funds for several regional planning commissions for transportation related planning activities, including \$1.425 million for the Southern NH Planning Commission.

Moose Plate Marketing Campaign

The Council approved \$100,000 in marketing funds for the state's conservation license plate program. The award went to the Altos Group in Bedford, which has merged operations with the incumbent vendor.

Today's complete agenda is available [here](#), along with the minutes and audio recording. The next G&C meeting will be held Wednesday, July 22, at 10 am at the Saint-Gaudens Historic Site in Cornish. Stay tuned for future updates, and please don't hesitate to contact me with your thoughts or concerns.
